*Welcome to London!*

Buckingham Palace

Belmarsh Prison

Greetings from London! Present home of human rights  
Defender Julian Assange.

**Julian Assange:** Award-winning journalist and publisher,  
founder of WikiLeaks, helped expose corruption and war  
crimes committed by our Governments.

Tortured for years in central London, then illegally dragged  
out of the Ecuadorian Embassy and sent to Belmarsh prison,  
also known as the "Guantanamo of the UK." Now, the UK may  
extradite him to the U.S. where he could face the death penalty!  
Though strongly condemned by the UN his situation is getting  
worse.

To find out more about this outrageous human rights violation  
by the British justice system in the centre of London, just scan
